

# Kayak Lift

The One and Only  
Built just for kayaks

New for 2013

Patent Pending

## Features and Benefits

- **Age no longer an issue**
- **Easy In**
- **Easy Out**
- **60" of Travel**
- **Free Standing**
- **Power Winch Options**
- **Great Place to Store Kayak**
- **Light and Easy to Store**

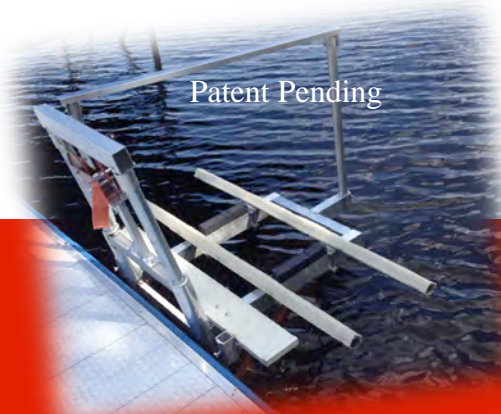

## Best thing EVER ...

For years we have looked at Safe, Easy ways of getting in and out of a Kayak. Stationary ramps are unsafe; they are too steep and slippery. Floating ports are too expensive and take up too much room. So we created a lift, which is Safe, Compact and Affordable

**THE KAYAK LIFT**
